We are in the process of a meter replacement program. This may cause your days of service in this billing period to vary from the normal 28 - 32 days.
Previous Balance is due before 5:00 pm on Thursday, May 15 to avoid a \$25 non-payment fee and disconnection of service.

Your account is due and payable when rendered. Failure to receive bill does not relieve customer of responsibility for payment of bill or services fees.

A \$6 or 9% late fee will be added to your account if payment has not been received by 5:00 pm on the due date. If the previous balance is not paid by 5:00 pm on the date required, \$25 non-payment fee will be charged and service will be disconnected.
